VOTING MACHINE SAMPLE BALLOT

MUNICIPAL ELECTION, MAY 12, 1970

Polls Open From 7:00 A.M. to 8:00 P.M.

VOTERS! ATTENTION!

Familiarize yourselves with this ballot and instructions. It will assist you in voting, and save time on Election Day.

IMPORTANT!

All voters who care, should vote early in the day and thus avoid possibility of congestion and inconvenience to themselves and others near the close of the polls.

INSTRUCTIONS TO VOTERS

1. Move the red handle of the curtain lever to the right as far as it will go, and leave it there. (This closes the curtain and unlocks the machine for voting.)

2. Turn down a pointer over the name of each candidate of your choice.  from this position  to this position 

and leave it down. If you desire to change your vote from one candidate to another, you may do so by merely turning up any pointer in question, and then turning down any other pointer of your choice. Your final choice of pointers must be left down or the votes will not record.

3. Starting to the left of the face of the machine, on "A" Row, turn down one pointer for Mayor; on "B" Row, four pointers for Councilman-At-Large; and on "C" Row, one

pointer for choice of Councilman from your Ward. The machine will not permit you to vote for more than the legal number of candidates for any office.

4. To cast a write-in vote, Personal Choice, raise desired slide at top of machine, over Office Title, and write name or use poster for the Personal Choice candidate you desire.

5. After turning down all the pointers you desire, leave them down. (or if you have voted in the Personal Choice section) then move the red handle of the curtain lever to the left as far as it will go, and leave it there. (This records your vote, returns all pointers and slides to the unvoted position, and opens the curtains.)

REMEMBER: No votes are counted until the red handle is moved back to the left.
